 Augusta, Georgia 30901

Re: First Vehicle Services 2015 bid process

Dear Commissioners,

As a Richmond County business owner, I would like to thank you for opportunity to be placed on the agenda today and to have my concerns addressed.

It is the request of Vern's Wrecker & Recovery Service, LLC, that the 2015-2016 Request for Quote for First Vehicle Services, Inc's towing and roadside assistance service be reissued in compliance with Augusta-Richmond County bidding procedures. Additionally, we would like for the following changes to be made to all future bidding processes held by First Vehicle Services Inc.:

- The Request for Quote shall be written to clearly establish contract requirements and expectations regarding number of trucks and type of trucks required, as well as a detailed description of what is meant by "the ability to perform all or part of the service" and "convenience for ARC employees."
- Bids shall be submitted signed, sealed, and dated.
- Bids shall be opened in the presence of the companies who submitted a bid.

Thank you again for taking the time to address my concerns,

Vincent McClain
 Owner
 Vern's Wrecker & Recovery Service, LLC

Request for Quote

Towing and Roadside Assistance – First Vehicle Services, Inc. Maintenance Support Project for Augusta/Richmond County, GA.

1. *Introduction*

First Vehicle Services has again been selected by the Augusta-Richmond County Commission to provide fleet maintenance services for the city/county vehicle fleet beginning January 1, 2015. As an integral part of providing this service to Augusta, First Vehicle Services is seeking an Augusta-Richmond County based company to provide towing and related roadside assistance to Augusta-Richmond County vehicles and equipment that are disabled, may need towed for other various reasons. First Vehicle Services reserves the right to negotiate with any responder to this request for quote and is open to any initiatives from responding companies to enhance the services offered.

2. *Period of Performance*

The performance period of this agreement will be from January 1, 2015 to December 31, 2016

3. *Area of Performance*

Towing and roadside assistance will take place within a 50 mile radius as measured from the Augusta-Richmond County Broad Street garage, located at 1568 Broad Street. Request for assistance beyond the 50 mile limit may be required, although instances are considered rare.

4. *Scope of Work*

The subcontractor shall tow any Augusta-Richmond County owned or leased equipment requiring towing services regardless of whether or not the cause is a repair, tire service, accident or other breakdown incident, regardless of location within the area of performance as stated in Section 3. The towing destination will be to the Augusta-Richmond County Broad Street, Tobacco Road, or Walton Way facilities; or to the warranty repair center as designated by the First Vehicle Services General Manager or his designated representative.

The subcontractor shall have the ability to tow in any of 4 categories; 1) Cars and Light Trucks, 2) Trucks and Equipment 1 ton to 33,000 GVW, 3) Trucks and Equipment over 33,000 GVW, 4) Off-Road Equipment which must be transported using equipment similar to a Landall trailer. In the event that the subcontractor elects to utilize a larger truck or the Landall trailer when it is not required, the subcontractor will be required to bill at the lesser rate.

The subcontractor can bid on one or a combination of categories, and can have the ability to subcontract to other entities, (i.e. Subcontractor can bid on all 4 categories, towing category 1 and 2 while subcontracting categories 3 and 4 to another entity). However, the primary subcontractor who is awarded the bid will be held responsible for any damages or issues from the result of subcontracting to other entities. If the subcontractor intends to subcontract to a secondary contractor, the name of the secondary contractor must be disclosed with the subcontractors quote.

The subcontractor will provide First Vehicle Services and Augusta-Richmond County with a single point of contact dispatcher (one phone number) that is available 24-hours a day, 7-days a week without exception. In the event subcontractor is subcontracting to another entity, the subcontractor holding the bid will be responsible for contacting other entity.

The subcontractor will provide documentation of each event (towing or roadside assistance) to First Vehicle Services within 4 business hours by means of fax or service ticket included with the towed vehicle. This documentation will include vehicle asset number, bumper number, vehicle identification number, tag number, mileage, towed from and to and if the vehicle towing reason is mechanical breakdown or an accident.

5. *Performance Response Requirements*

During normal business hours (7:00 AM to 5:00 PM, Monday through Friday), towing for equipment breakdowns will have a response time of less than 60 minutes as measured from the time of call to the time a subcontractor service vehicle arrives on scene. After normal business hours, towing for equipment breakdowns response time will have a response time of no more than 90 minutes. This performance requirement is applicable for all tows within the Augusta-Richmond County limits.

6. *Historical Information*

Historically, this service was approximately \$27,000 in the period 12/5/13 to 12/5/14. This information is provided for the bidder's consideration, however, it in no way represents a guaranteed amount of work.

7. *Penalties*

The contract between Augusta-Richmond County Commission and First Vehicle Services contains penalties that can be assessed for failure to meet performance standards. First Vehicle Services will pass on any penalty received from lack of performance by the towing subcontractor. The penalties are:

Failure to Meet Time Standards for Towing – first occurrence: \$25
 Failure to Meet Time Standards for Towing – second and repeated occurrence: \$50
 Failure to Answer Towing Service Phone Number – first occurrence: \$25
 Failure to Answer Towing Service Phone Number – second and repeated occurrence: \$50
 Continued failure to meet the requirements will result in contract cancellation.

Subcontractor holding Bid will be responsible for any penalties, even in the event of subcontracting to other entities.

8. *Insurance*

The Subcontractor must have adequate insurance coverage throughout the term of this contract. Responders to this request for bid must provide a description of the companies insurance and provide proof of insurance upon acceptance of the bid. If the subcontractor intends to utilize a secondary subcontractor, it is the primary subcontractor's responsibility to acquire and provide First Vehicle Services with a copy of the secondary subcontractor's insurance documents.

The Subcontractor/subcontractors shall have liability insurance in the minimum amount of \$1,000,000.00 and deductible shall not exceed \$1,000.00. Damage and loss coverage shall fully cover any vehicle being towed which includes light, medium, heavy vehicles and other specialized equipment (a list of vehicles and equipment currently in the contract can be provided upon request) and any deductible shall not exceed \$1,000.00.

Workmen's compensation insurance shall be provided if required by state law.

9. *Indemnity and Hold Harmless*

The Subcontractor hereby agrees to indemnify and hold harmless First Vehicle Services, its successors or assigns, for any action or suit of any kind that may be instituted against First Vehicle Services, Inc., its successors or assigns, for any act or omission of the Subcontractor (civil or criminal). Such indemnification shall include any and all attorney's fees and any incidental fees or costs incurred by First Vehicle Services, Inc., its successors or assigns, in defending itself for any suit or other action as the result of any act or omission of the Subcontractor.

10. Option Years

At the end of this agreement, it may be renewed for up to two (2) - twelve (12) month periods with the mutual signed approval of both parties.

11. Submittal Information

The following must be received by First Vehicle Services no later than 4:00 pm, November 30, 2011:

Bid Form (Pages 4 and 5)

Explanation of Insurance

(Failure to fully complete the bid form will result in the bid being disqualified.)

Submit to:

First Vehicle Services, Inc.

P O Box 507 Augusta, GA 30903

Fax: (706) 821-2817

Responses must be received prior to 4:00 PM, Friday, December 19, 2014.

Attachment A – Bid Form

Towing and Roadside Assistance – First Vehicle Services, Inc. Maintenance Support Project for Augusta/Richmond County, GA.

COMPANY: Vern's Wrecker & Recovery LLC

Pricing Information

Please complete the following table with the proposed price per event based on mileage and size of vehicle. First Vehicle Services, Inc. will not consider bids that include a mileage charge (except for tows over 50 miles). Mileage, for rate calculation, is based on distance from the origination of the tow to the final destination of the tow (Tobacco Road, Walton Way, Broad Street, or a location designated by the General Manager, or his/her designated representative). It will be the vendor's responsibility to note the starting and ending mileage from the point of pick up to the point of drop off on their invoice. Mileage statements may be verified by First Vehicle Services utilizing services such as www.maps.google.com, www.mapquest.com, etc. In the event that a unit is towed to a location other than Walton Way, Broad Street or Tobacco Road, such as a dealer, the vendor will be allowed to charge either the rate based on origination to final location or the rate based on the origination point to the respective First Vehicle Service Center. In the event that the vendor charges a rate based on latter, both distances should be noted on the invoice. (Actual loaded distance and the mileage from the origination point to the Respective Service Center.)

Loaded Mileage	Cars / L. Trucks	Trucks, up to 33K	Heavy, over 33K	Eq. requiring Landall Trailer
Up to 7.5	\$50.00	N/B	N/B	N/B
7.5 to 15	\$59.00	N/B	N/B	N/B
15 to 25	\$68.00	N/B	N/B	N/B
26 to 50	\$100.00	N/B	N/B	N/B
Mileage charge over 50 miles (per mile)	\$2.00	N/B	N/B	N/B
Wait time (Per 1/2 hour)	\$22.00	N/B	N/B	N/B
Scene clean-up (Per 1/2 hour)	\$25.00	N/B	N/B	N/B
Winching Charge* (Per 1/2 hr, added to mileage charge.)	\$44.00	N/B	N/B	N/B

Please indicate the Price to be charged, N/B (No Bid), or N/C (No Charge) in all of the sections. Do not leave any sections blank.

D. McC
23 Dec 14

Item # 4

*Rate is for a one-way tow based on the mileage from the pick-up point to the drop off point of the tow, unless the alternate mileage calculation of the origination point to the respective First Vehicle Service Center, which is outlined in the **Pricing Information** section, is utilized.

**For tows of over 50 miles, provide a mileage rate for the extra miles over 50 that will be added on to the 25 to 50 miles rate. Example: A tow of 60 miles is required. The add-on mileage rate will be multiplied by 10 (miles over 50) and this amount will be added to the bid amount for a 25 to 50 mile tow rate.

***Rates shall be all inclusive. First Vehicle Services will not pay additional charges for the use of flatbed wreckers, tow dollies, driveshaft or axle removal. Additional reimbursable services (wait time, clean up time, and winching services) shall be noted on the invoice and billed at the applicable rate as quoted by the vendor.

Invoicing

All invoices for work performed must be provided within one working day from the date of service. The invoices must contain, the date/time of the call, make/model of the vehicle, vehicle asset number (VIN # if the Asset Number is not accessible), location towed from, location towed to, number of miles unit was towed, name of the individual who reported called in the tow, purchase order number.

Contact Number

The following phone number will be answered 24-hours a day, 7-days a week to dispatch towing services:

706-790-1209

Insurance

Please attach a description of your insurance coverage.

Certification

I agree to abide by all the terms of this contract and agree to the pricing presented above for the term of one year beginning at 12:01 AM, January 1, 2015. I also certify that I am authorized by the company to enter into this agreement.

Dear Sir/Madam:

Thank you for submitting a quote for the towing and roadside assistance in support of our contract with Augusta – Richmond County for January 1, 2015 – December 31, 2015.

After careful consideration and review, First Vehicle Services (FVS) and Augusta-Richmond County (ARC) have selected Chancey's Wrecker Service as the sub-contractor to perform this service.

Numerous factors were considered in making this decision. These included the vendors ability perform all or part of the service, the number of units of each type that the vendor has available, convenience for ARC employees, and cost.

We acknowledge the time and effort that went into your quote and sincerely hope that you will quote your services in the future.

Sincerely,

Matthew E. Bean
General Manager

Request for bid price information

Bean, Matthew <matthew.bean@firstgroup.com>

Wed, Oct 22, 2014 at 11:25 AM

To: Verns Towing <vincent@vernstowingservice.com>

What you are looking at is the bid tabulation that was used to determine the best overall value.

Since there were different rates for less than 7.5 miles and 7.5 to 15 mile, I used the number of those types of tows from the previous year X the quoted prices to calculate what the estimated cost would be. As you can see, Chancey's was a little more expensive on the short trips. But they were the best value overall based on total tows for the year, so they were selected.

There was not a 2013 bid, because we wrote a renewal clause, which allowed it to be extended if the pricing did not change, in the 2012 bid.

To: "Bean, Matthew" <matthew.bean@firstgroup.com>

Good morning Matt,

Thank you for the bid info, couple of questions.

It appears that more than one company is handling the light towing does that have anything to do with bids or is that to do with availability, response times, or a company dropping out?

To the right of the page, I see a *66 @ < 7.5 and 94 is this actual number of vehicles towed or estimated. Also are these actual dollars generated by the companies. Did Randy's actually earn 9872.00?

I did not receive 2013 is that because you can't release it yet, if so when can it be released?

Thanks again,

Vincent

Matt,

Thanks for the clarification.
